## Section 2 – Judges

Clubs and Areas entering competitions are required to nominate and supply a judge or judges for the day(s) on which their gymnasts are competing. If a Club or Region's competitors cover various age groups / grades it will be necessary to provide a judge for each day of their competition (please see below). Numbers of gymnasts are across the full competition, not per day. Whilst we will do our best to put judges on the same day as their club's competing gymnasts, this is not a guarantee. Club's need to provide judge availability to the competition organiser before the entry deadline and ratio's will be determined based on numbers at entry. The number of judges required is as below\*:

- 1 – 8 gymnasts entered – 1 judge for one whole day
- 9 – 16 gymnasts – 1 judge that can judge two whole days, or 2 judges that can judge one whole day each
- 17 + gymnasts – 3 judges across both days (e.g. 2 judges on one day, 1 judge on one day)
- Area entries – 3 judges per area per day, at least 1 judge per day must be regional or above. Please note that clubs qualifying gymnasts to area finals will be expected to provide judges to enable the area to compete in finals.

*\* clubs are not required to enter judges for Welsh Championships*

As per the Generic Competition Handbook, at least one regional judge or above will now be required as part of the ratio for qualifying competitions and identified pathway competitions when entering more than 3 gymnasts. For WAG, this is any competitions listed within this handbook. If you have any concerns around this, please get in contact so we can look to support you in accessing a course or connecting you with other regional judges. To support fairness of the competition, a maximum of 3 judges from a singular club per day with not more than one of these per panel.

These rules must be enforced to ensure that all competitions can run. It is important that we have club judges and enough numbers of regional (or higher) judges at each competition to ensure fairness and expertise to recognise the work that our gymnast and coaches are producing. For grades, it is essential to have 5 regional judges, 1 on each piece. Areas need to ensure that this stipulation is met when holding Area grades competitions. Clubs need to be mindful of this when nominating judges.

## Section 3 – General Rules and Penalties

General rules and penalties as per FIG Code of Points and Welsh Gymnastics membership rules / terms and conditions.

For all events held by Welsh Gymnastics, excluding Welsh Championships, no attire deductions will be taken. Welsh Championships are governed by FIG rules unless otherwise specified. Please refer to British Gymnastics handbooks for any British Gymnastics competitions.

## Section 6 - Grades

For detail on the Grades structure and criteria please see the British Gymnastics website (<https://www.british-gymnastics.org/wag-comp-framework-update>) Sport80 resource bucket, or email [performance@welshgymnastics.org](mailto:performance@welshgymnastics.org). Please note that the grade undertaken by a gymnast may impact upon the voluntary competition entered later in the year, thus it is the responsibility of the coach to select the most appropriate grade and pathway. There is an expectation that gymnasts are appropriately prepared for their grading and that the correct pathway is chosen, considering a gymnast's likely development and progression. Gymnasts would not be able to compete an NDP (either performance or preparation) and an excel grade within the same year. Clubs should also check that gymnasts hold the correct insurance to take part in Grades events.

The format for the performance grade finals (grades 1-4) competition is now 5,4,3 and range will be performed at national finals. For the Welsh Region, the top 5 gymnasts AA will represent the region. From these 5, the top 4 will compete on each apparatus. If one gymnast placed 5<sup>th</sup> on all apparatus and subsequently would not compete on any pieces, they could choose whether they attend as a travelling or non-travelling reserve.

### **All Clubs should please note the following:**

*For all NDP competitions there must be a minimum of two judges one each piece of apparatus and at least ONE must be qualified to a regional level or above. There must be a minimum of one National or Brevet judge at each qualifying competition.*

Certificates are now included in the competition entry fee. They will be available on the day to all gymnasts subject to WG receiving them.

Competition	Grade	Requirements to be selected to National/Regional Finals
Performance Grades	1-4	<p>Top 5 to qualify as part of the team to <b>British Finals</b> with a score of 50.00+ or above for Performance 1-4. No reserve. Please refer to the British Gymnastics competition handbook, for tie break rules.</p> <p>No individual entries. PLEASE NOTE –R&amp;C WILL be performed at the National Final. Please refer to BG rulings for detail / clarifications.</p>
Excel Grades	1-3	<p><b>Excel 1</b> - There will be <u>no</u> National Finals for Excel 1.</p> <p><b>Excel 2</b> - Top 4 to qualify as part of the team for British Finals (minimum age of 10). As scores are likely to be decided after the national event, the top 4 gymnasts in the region at Excel 2 will all go to National Finals.</p> <p><b>Excel 3</b> - Clubs are responsible for entering gymnasts into British Excel 3.</p>

## Section 7 - Voluntary Programme

Each year, gymnasts may only compete in one Welsh voluntary competition, as detailed on the table. It is the responsibility of the coach to select the appropriate competition pathway. A gymnast may not compete in both the Classic Challenge Championships **and** Excel Grades in the same year. If a gymnast was ill or injured and unable to do the first sitting for Excel 1, or if the gymnast achieved a 'Working Towards' but was within 1 mark of achieving a 'Working At' and intends to do the re-sit this year, they may still take FIG Dev 1 in their region even if the second opportunity. Alternatively, if they DO NOT intend to take the second opportunity this year, they may take the appropriate Classic Challenge level for their age and ability.

### ABC

- A Zinc level competition will be offered at ABC events 2-5 alongside the GFA competition. Gymnasts must hold silver membership to enter.

### Floor and Vault

- Please see attached rules.
- 1-4 team placings awarded.

- Recommended 2 coaches per team to be submitted for entry to Welsh Finals.
- It is the responsibility of the area to arrange kit.
- Invoices for teams will be sent to relevant area representatives.

### Classic Challenge Championships – Bronze, Silver, and Gold

- Bronze, Silver, and Gold levels will be a Regional (Welsh) Competition.
- In the Welsh Regional Competition, teams will comprise of 4 to compete, 3 scores to count on each piece.
